MODERN KITCHEN PLUMBING

It is easy to work in a kitchen where everything is bright, convenient, and easy to clean. The first and biggest help to hygenic surroundings is a spotless porcelain or enamel sink with quick running, non-splashing faucets.

Porcelain or enameled sinks are easily kept clean and free from vermin, no crevices to catch dirt and breed germs. You want your kitchen work to come up to the highest notch, food wholesome, got ready quickly, cleanliness everywhere, and easy to keep things clean.

Let us advise you how to make your kitchen modern, sani-
